

Data Analytics MED/FMB EDI Template Release Notes

General Overview

RISKMASTER Data Analytics is an optional add-on module for data import and extraction. Optional Templates are available for supporting specific file specifications. This release is specific to the MED/FMB (Medical / Florida Medical Bill) EDI template. For details on hardware and software requirements, please refer to the Data Analytics Technical Specifications.

DA MED/FMB EDI Template should not be installed prior to upgrading to Data Analytics 4.2. Please refer to the Pre-Installation Checklist and the Data Analytics Installation Guide on the Data Analytics page on RISKMASTER.com.
